

## COOKIE DOUGH PASTE

Looking for a new distinctive inclusion for your ice cream tub, ice cream cake or other dessert? Out of the great love for our well-known cookie dough chunks, we are constantly looking for even more opportunities to spread our cookie dough all over the world. With our accumulated knowledge and years of experience, we can manage a lot and so we also developed the sweet addition of cookie dough paste to our product range. This ready-to-eat, doseable cookie dough offers many possibilities and transforms every finished product a real treat. Besides ingredients that meet high safety standards, we also added a lot of love and passion to the cookie dough paste - and you can taste it! Are you ready for this new cookie dough experience?
